

Southcoast Voip

Presents

Amateur Radio for Youth of All Ages

**Amateur Radio License Preparation
Technician Class course starting August 12, 2018**

- Unique methods for those interested, involving nothing more than a computer/internet service for starters, and a desire to explore the world of the ham radio hobby.
- This Technician course will be conducted live on our SCARS VOIP server and will have worldwide attendance.

- Our Email: voip@scarsvoip.com
- Our Website: www.scarsvoip.com
- Involvement is free

- This may be a refresher course for those so inclined and you are more than welcome.
